Personal statement

I am a highly enthusiastic and keen in furthering my web development skills, which is demonstrated by my already existing coding experience in multiple languages. Currently aspiring to achieve a more in-depth knowledge of programming languages to become a Full Stack Web Developer. I am also a highly organised and efficient individual who is quick to adapt to new environments; my tenacious and proactive approach helps me to tackle and challenge new ideas with an optimistic head-on approach. I am available for full-time work and willing to undertake any training required.

Key Skills

- Basic knowledge of JavaScript, Python, SQL, HTML, CSS programming languages.
- Proficiency in all areas of Microsoft Office, including Excel, Word and PowerPoint.
- Excellent communication skills, both written and verbal.
- Can adapt quickly to situations, resulting in proficient problem solving skills.
- 1 years worth of study in Computer Science at the University of East Anglia.

Employment History

Customer Service Advisor, Ladbrokes, Hoddesdon (October 2016 – August 2017)

My duties involved:

- Maintaining all aspects of the shop mostly in regards to cleanliness and keep supplies stocked up for customers.
- Placing bets for customers and helping customer with any queries in regards to their bets.
- Engaging with customers to create a positive and friendly environment. Usually achieved by talking with customers and offering beverages etc.

Warehouse Picker/Packer, Sainsbury's Distribution Centre, Rye Park (December 2018 – July 2019)

My duties involve:

- Using the DPS (Dynamic Picking System) to pick and pack items into totes that are then distributed to the various Sainsbury's stores that have made the order.
- Maintaining health and safety standards around the warehouse.
